INTERNET BANKING POLICY

INTERNET BANKING AND ELECTRONIC PAYMENTS

Payment of invoices online saves time and money – no envelopes or stamps required, and the authorisation can be done remotely at any time. The payment is received in the creditor's account within two working days; and the creditor does not have to take a cheque to their bank.

The controls and approvals, properly used, are as secure as the existing cheque system. The Responsible Financial Officer may 'view and submit' online but may not authorise a payment. Signatories may 'view and authorise' what the RFO has entered but may not set up a beneficiary or a payment themselves.

The RFO will continue to provide Bank Statements and reconciliation with the Scribe accounting package to the Council meeting at least quarterly.

The RFO will continue to make payments by cheque when necessary, following the existing controls and approvals, but will move to online payments when possible.

The Council will endeavour to have a minimum of three Councillors as authorised signatories at any one time.

Current position: November 2021

Croxton Parish Council has two accounts with Unity Trust Bank:

- a Current Account with cheque and internet banking facilities for the day-to-day payment of invoices and receipt of any income; and
- a Reserve Account for any reserve funds that the Council might hold.

All councillors are authorised signatories.

6. No employee or councillor shall disclose any PIN or password, relevant to the working of the council or its bank accounts, to any person not authorised in writing by the council or a duly delegated committee.
7. All transactions require two Signatories to authorise.
